	Name	Signature	Date
Prepared	[Faded Name]	[Signature]	21/09/2017
Approved	[Faded Name]	[Signature]	21/09/2017
V.ºB.º	[Faded Name]	[Signature]	25/09/2017

The process certification shall be maintained, by supplier, according to the last issue of applicable documentation, unless otherwise indicated. The validity of this certification cover sheet and its certification is to be contrasted with the Certified Special Processes List (CSPL) published in its latest review. The latter information will prevail on the cover sheet, meaning that if certification is not included in this, certification is not active or is canceled and therefore the supplier is not certified for this process.
